2027 Fayette Women's Golf Association Membership Form

Membership dues are $70.00. Note, for members who have ***already paid*** their GHIN fee to another KGA-affiliated league, the $28 GHIN fee included in the FWGA membership dues will be waived.

Chip-in-pot fee $5.00. Those who wish to participate in the chip-in-pot should include this additional fee. The pot is distributed at the end of the year to all that had a chip-in during league play.

New Members Only: Play requires members to have an established GHIN handicap index of 34 or less. If you do not have a GHIN handicap index, then you must either

a) provide attested scorecards totaling 54 holes in any combination of 9-hole or 18-hole rounds, which is the minimum requirement set by the USGA to obtain a Handicap Index, or

b) apply for a provisional membership, which allows a player to play with the league until the minimum requirements to obtain a USGA Handicap Index are met. Full membership will be contingent upon establishing a USGA Index of 34.0 or lower at the end of the provisional period.

If you have any questions, please contact Sandra McCully or Carol Manning at smccully2012@gmail.com or camskimd@gmail.com, respectively.

Please complete the membership form below, make check payable to FWGA
Mail to: Sandra McCully, 145 Academy Drive, Wilmore, KY 40390
Or, email your information to Sandra and request Venmo instructions.
